

# The Farm By The Water

## April 2017

We have a few dates for your diary in April and an update on how things are moving forward at the Farm.

On Saturday 1st April there will be a quiet retreat day. It will be time to be still in God's presence and reflect on the season of Easter. It starts at 11.00 and refreshments and lunch will be provided.

We are now holding a prayer meeting on the first Monday morning of the month—if you would like to join us please contact us for more information. We aim to start with refreshments at 10.00.

On Saturday the 8th April we are holding one of our family craft and fun days—it will of course be full of Easterly crafts, food and treats—it's a pop in sort of day and we would love to see you. Its all happening between 11—4 and lunch and refreshments will be provided.

On the news front we are looking at the possibility of being registered as a charity and we have a phone interview with the Small Charities Commissions' legal advisor for religious organizations (Monday 3rd @ 1.00). As we are receiving donations we feel this is the right route to take in order to keep everything transparent and above board. We will also be appointing trustees and having a separate bank account to enable finances to be easily tracked.

Over the next few months we hope to hold some of our praise events—if you would like to be involved with the worship for any of these please get in touch . This is all age worship so we need all age worshippers.

All of our events are shown on the St John's Woodbridge website on the events page -

[www.stjohnswoodbridge.org.uk](http://www.stjohnswoodbridge.org.uk)

Also look out for us on our Facebook page 'the farm by the water' for all events and news.

We look forward to seeing you.
